Re: Lift-Tech Elevator Service, LLC
Case No. 09-40244

Dear Matthew G. Wapner;

Please be advised that the Pre-trial Conference scheduled for July 27, 2010 has been adjourned to August 10, 2010 at 10am.

Herewith we ask that you withdrawal your filed motion to dismiss. Your reasoning for the motion violates Rule 11. The adversary is not for § 362(k) violation, it is for damages and wrongful repossession.

Sincerely,

Shmuel Klein/nem
